

VOLUNTEERS NEEDED

Mount Merrion Historical Society needs new thinking and input if it is to prosper and progress.

In 2011 the committee of the society was refreshed with the recruitment of four new members. Since then we suffered the unexpected loss of Sheila Casey. In addition some of the longer serving members wish to take a step back.

The committee needs new members (ideally 3-4). I am therefore appealing for members who would be prepared to join the committee and help to ensure the future of the society.

I would be happy to discuss our activities (which are not onerous). If you are interested I would be grateful if you could complete the form below and return it after tonight's talk and I will contact you. Alternatively, I can be contacted by telephone at 087-2350901 or by e-mail at conal.hooper@gmail.com

Conal Hooper

Chairman

I would like to be contacted to discuss joining the committee of the Society.
